**Are you searching for a  
German godparent?**

**Sprache: Englisch**

The Caritas is much interested in the continuous assistance of individuals and refugee families.

We arrange and accompany relationships between German citizens and the newcomers - *because people need friends.*

### Find a godparent!

You are new in Germany? Much is strange and different as you use to know? We want to help you to get to know the people, the language, the culture and the city better. With us, you can find a mentor who spends time with you. He/she can help you with your daily issues and activities!

The godparenthood is:

- **individual**
- **voluntarily**
- **a help in everyday issues**
- **spending time together**
- **a help to learn the German language**
